Please turn over for instructions.
First, colour in the picture of my face on the back of this page.

Second, ask an adult to help you cut around the mask on the dotted lines.

Third, make holes at points A and B using a sharp pencil or a pair of scissors. Don’t forget to ask for an adult’s help again.

Finally, get a piece of string or elastic big enough to fit comfortably around your head, and tie it into the holes.

Tools you will need:
- Scissors
- String or Elastic
- Colouring pens or pencils
